

## **Complete Innovations Marks Ten Years of Industry Innovation and Growth**

*Mission-critical operational solutions provider celebrates 10<sup>th</sup> anniversary as a market leader*

TORONTO, CANADA – March 2<sup>nd</sup>, 2010 – [Complete Innovations Inc.](#), a leading global provider of operational solutions for mobile workforce and transportation-related companies, is pleased to announce that 2010 marks the 10<sup>th</sup> anniversary of the founding of the company.

Ten years ago, entrepreneur and co-founder Tony Lourakis had a vision for transforming the courier services industry via easy-to-use, low-cost Windows-based technology. Through strategic partnerships, innovative products and strong customer support, the company has experienced stellar growth within a relatively short timeframe.

The company has been recognized for its pioneering leadership in the workforce management space with a number of accolades from top industry players such as Ernst & Young, PROFIT Top 100, PROFIT Hot 50 and IDC Top 10 to Watch. Today, Complete Innovations has grown to become a leader in its industry, with more than 3,000 business customers representing over 30,000 mobile subscribers throughout North America and its various international resellers.

Through its respective Courier Complete, Fleet Complete and Fuel Fast products, Complete Innovations currently serves the needs of mobile workforce and transportation-related companies that require comprehensive, cost-efficient GPS tracking, fleet and mobile resource operations management software.

“Our first 10 years have seen vibrant growth and diversification in the Complete Innovations brand. We would like to thank our customers, employees and partners for their valued contribution to our ongoing success,” said Tony Lourakis, CEO, Complete Innovations. “As we celebrate this key milestone, we’ll continue to differentiate ourselves in this space with continued leadership in product innovation, service and expansion moving forward.”
